SUMMARY

My name is yuvraj currently pursuing diploma in computer engineering from Delhi skill and entrepreneurship University 2nd year. I'm thrilled to apply for the internship opportunity in web development. With a good foundation in HTML, CSS, and certification in computer applications, I'm eager to contribute my skills and learn from the talented team. I'm passionate about creating engaging and user-friendly websites and excited about the opportunity to further develop my skills in a real-world setting. Looking forward to the possibility of joining your team and making a positive impact.
